

## EYs Training and SEND Passport

### **EYs Training:**

Waltham Forest's Early Years, Childcare and Business Development Service, alongside partners and commissioned services have created bespoke training packages. These aim to empower the Early Years sector to provide high quality, inclusive and safe provision that prepares children for school. Training will either be delivered as a packaged project or using a tiered approach. Tier 1 is a guidance document, Tier 2 is a recorded webinar and Tier 3 is a virtual live discussion.

### **SEND Passport:**

This tiered SEND Passport training package supports early years practitioners, early years teachers, childminders and early years SENCOs in supporting children with SEND, in an inclusive and enabling environment.
