

## **Webinar: Supporting a child with vision impairment in schools**

In this recording of our introductory webinar, we use an example student (Eddie) to show:

- how our Service supports a visually impaired student
- conditions that cause the vision impairment
- examples of advice, technology and mobility/orientation for staff to ensure the student has access to the environment and curriculum

You can download the Powerpoint slides [here](#).

We would like to know what you think of this training. Please fill in our [evaluation form](#).
