SENDSuccess is the name for the Outreach Service in Waltham Forest

Our specialist areas of support are:

- **Vision Impairment**
- **Hearing Impairment**
- **Autism**
- **Learning and Cognitive disabilities, including SpLD (Dyslexia)**

We work with Waltham Forest to help mainstream colleagues to meet the needs of pupils with SEND and one of the most effective ways we can do this is through training.

Due to Covid-19, all our central training will be delivered virtually until further notice. In this booklet you can find information about the courses that we are running this term. Courses are free for all staff working in maintained mainstream nursery settings, primary and secondary schools within Waltham Forest.

The sessions below are colour-coded by subject area

Hearing Impairment, Vision Impairment, Autism, Learning Difficulties, General

Bookings will close 2 days before the training. When you place a booking, you will receive a calendar invitation with the link to join the training, which must be accepted in order to guarantee your place on the course.
